

REMARKS

This application has been carefully reviewed in light of the Office Action dated January 29, 2009. In response to the Office Action's requirement for restriction, Applicants elect Species A: the specifics being the polymerized liquid crystal has a twisted nematic orientation (Claim 8) without traverse.

In view of the foregoing, it is respectfully submitted that the currently-pending claims, as herein amended, clearly define statutory subject matter. Accordingly, allowance of the currently-pending claims is now respectfully submitted to be justified, and favorable consideration is earnestly solicited.

Respectfully submitted,
